

VICTORIA POLICE

Annual Procurement Plan 2019-20

Victoria Police is a large, diverse and complex organisation that provides policing services to the Victorian community 24 hours a day, seven days a week, working to keep over 5.9 million Victorians safe. The Organisation has a proud history serving the community of Victoria, building and nurturing a positive relationship with the public.

Victoria Police's commercial profile is complex and procurement processes are detailed due to the nature of the Organisation and the people, process, practices and objectives they support.

To effectively and efficiently procure goods and services across the Organisation and achieve the best value for money, Victoria Police's procurement activity is aligned to the annual budget allocations, The Corporate Plan and the Chief Commissioner's Priorities and Standards. The Annual Procurement Plan provides a summary of planned procurement activities.

The Annual Procurement Plan provides potential suppliers with an indication of likely procurements for Victoria Police in the 2019-20 financial year. Victoria Police will continue to look for marketplace solutions that are innovative, effective and deliver value for money.

Based on information available at the time of publication, Victoria Police expects to be engaging with the market in various ways, for the procurements listed below. Please note that all Victoria Police planned procurements are subject to revision or cancellation. The information in the Annual Procurement Plan is provided for planning purposes only.
